Ardmore maintains and updates appropriate tariffs with all rates, terms, and conditions on file with the Alabama Public Service Commission and maintains a copy of such tariff for public inspection at Company offices. Ardmore also sends all required bill messages and/or customer notifications, including but not limited to, do-not call list, cramming, truth-in billing, Low Income Support/Lifeline, etc. Ardmore maintains a CPNI Manual and Red Flag Manual. Ardmore also prepares and maintains monthly trouble reports which are available upon request to the Alabama Public Service Commission.

Ardmore Telephone Co., Inc.'s Ability to Function in Emergency Situations

Ardmore Telephone Co., Inc. ("Company") hereby certifies that it is able to function in emergency situations as set forth in Code of Federal Regulations, Title 47, Part 54, Subpart C, §54.202(a)(2)¹ and Rules of the Tennessee Regulatory Authority, Chapter 1220-4-2. The Company's network is designed to remain functional in emergency situations without an external power source, is able to reroute traffic around damaged facilities, and is capable of managing traffic spikes resulting from emergency situations as required by Section 54.202(a)(2). The Company can change call routing translations as needed to reroute traffic around damaged facilities. Changing call routing translations will also allow the Company to manage traffic spikes throughout its network, as emergency situations require.

In accordance with the Rules of Tennessee Regulatory Authority, Chapter 1220-4-2, 1220-4-2-.23 Emergency Operation, the Company's central offices have adequate provision for emergency power. Specifically, each central office building is supplied with standby generators and battery back-up that enable the central office to keep running until power is restored so long as fuel is available, or until system changes are made to reroute traffic.

¹ Section 54.202(a)(2) requires ETCs that are designated by the Commission to "demonstrate its ability to remain functional in emergency situations, including a demonstration that it has a reasonable amount of back-up power to ensure functionality without an external power source, is able to reroute traffic around damaged facilities, and is capable of managing traffic spikes resulting from emergency situations."

You are eligible for telephone service discounts under a "Lifeline" program, and for free Toll Limitation Service (TLS) if you participate in one of these programs; provided that you do not receive any similar discounts for cellular telephone service.

What type of discount is available? Lifeline assistance lowers the cost of basic monthly local telephone service. Eligible consumers can receive a \$9.25 Federal Lifeline Credit plus a \$3.50 State Lifeline Credit on their bill.

Toll Limitation Service (TLS) support areas eligible consumers who wish to avoid incurring large long distance fees to choose toll blocking or toll control at no cost.

For a complete set of terms for the Lifeline program, call or visit your local telephone office. Lifeline is part of the Federal Universal Service Fund program. The Federal Communications Commission introduced this, and the Universal Service Administrative Company oversees it. The goal of Universal Service is to make sure consumers throughout the United States have essential telecommunications service.

BASIC LOCAL EXCHANGE SERVICE

S2.15 LIFELINE ASSISTANCE PROGRAM

(N)

1. General

Lifeline Assistance reduces an eligible customer's monthly rates for local service. The total monthly credit to the local telephone service bill of qualified residential subscribers consists of a federal credit totaling no more than \$9.25. The credits are applied to the local service bills for qualified recipients of low income assistance programs who are eligible and apply for the credits. Lifeline Assistance may be applied to a maximum of one line per eligible customer.

2. Regulations

- a. Persons wishing to qualify for the credit must meet state certification criteria for eligibility. This credit is available only to residence customers. Eligibility is determined by participation in one of the below programs, or by having a household income at or below 135% of the federal poverty level.
 - i. Medicaid
 - ii. Food Stamps
 - iii. Supplemental Social Security
 - iv. Federal Public Housing Assistance
 - v. Low Income Home Energy Assistance Program
 - vi. National School Free Lunch Program
 - vii. Temporary Assistance for Needy Families
- b. All applicants for this service are subject to verifications of eligibility with the state agencies responsible for administration of the qualifying programs, or in the alternative provide adequate documentation to WK&T. WK&T will inspect but not retain a copy of those documents.
- c. The Company will periodically reconcile and confirm the continuing eligibility of Lifeline Assistance recipients with the appropriate state agencies and through surveys requiring customers to verify their continuing eligibility for Lifeline Assistance. Upon a determination of ineligibility, the Company will contact the customer and request documentation of eligibility. If the customer can not provide such documentation within sixty (60) days from the date of such request, the credit will be discontinued on the bill after written notification to the customer. All unresolved disputes regarding eligibility shall be brought to the attention of the Commission for resolution.

Ardmore Telephone Company - Tennessee

- d. The Company will process all applications and apply the appropriate credit on the customer's next monthly bill. A secondary service charge is not applicable for existing customers who subscribe to Lifeline Assistance. (N)
- e. As a participant in Lifeline Assistance, customers are eligible to receive Toll Limitation Service at no charge. This service will only be provided at the customer's request
- f. Local service deposit requirements will be waived for customers who voluntarily receive Toll Limitation Service.
- g. Participants in Lifeline Assistance shall not be disconnected from Local Service for nonpayment of toll charges. In addition, the Company will not deny re-establishment of local service to customers who are eligible for Lifeline Assistance and have previously been disconnected for nonpayment of toll charges. The Company may require customers whose households are otherwise eligible who have previously unpaid toll charges to subscribe to toll blocking prior to being accepted as eligible for Lifeline service. Lifeline Assistance will not be connected if an outstanding balance is owed by the customer for local service.
- h. Partial payments that are received from Lifeline customers will first be applied to local service charges and then to any outstanding toll charges.
- i. One low income credit is available per household and is applicable to the primary residential connection only.
- j. A Lifeline customer may subscribe to any local service offering available to other residential customers.
- k. The customer must also certify that no other person at the address on the service order below is receiving any other Lifeline benefits.
- l. The customer is to immediately inform the Company upon the cessation of any eligibility.

3. Credits

- 1. The customer will receive a \$9.25 monthly credit for local exchange telephone service. (R)
- 2. All other customary rates, taxes, and other taxes apply.
